### Your Child's Eye-sight

You are responsible for the sight of your child. Watch out for frowns, for squints, and when they read of look at picture books do they hold it too near or too far? These little things grow faster than the child, and in many cases can be overcome if discovered in time.

I Especially Insist on You Bringing the Children In.

Defects of vision never disappear of their own accord and in most cases they grow worse. It's a duty you owe your child, and I can prove it by the test if I can fit them, which is free, and you don't have to help pay for some worthless instruments in the testing room. I don't want your money if I can't fit you. Come in.

### Makes Best Complexions

Wholesome Complexion the Pride and Glory of Healthy Men and Women. Pepto-Mangan Makes Red Cheeks

Builds Up Tired Bodies—Helps Change Pale Complexions to Bloom of Health

The healthy, attractive woman—and man too—with a wholesome complexion is the envy of those who feel that, for them, such attractiveness is impossible.

And yet health and attractiveness are much a matter of good, red blood, and unless a man or woman is afflicted with some deep-seated or serious ailment, vigorous health, and personal charm are within easy reach.

Pepto-Mangan is responsible for the present health and happiness of thousands who formerly were thin, pale, languid and easily exhausted. Pepto-Mangan helped place these folks in the full-blooded, energetic, vigorous class—and it probably can do the same for you.

Pepto-Mangan contains the elements that make rich, healthy blood. And as a result of the increased supply of red blood that Pepto-Mangan creates, the entire system attains the vigor that belongs to every man and woman.

Pepto-Mangan is prepared in two forms, liquid and tablets. They are exactly alike in medicinal value.

Ask your druggist for "Gude's" when ordering Pepto-Mangan. Look for the name "Gude's" on the package.
